

Nakushi will never know the great love of Jesus unless someone goes to her village, lives and works among her people, and shares the life-changing message of Jesus' love and sacrifice for her salvation.

The number of people like Nakushi is staggering! **6,693** people groups in the world are less than 2% Christian.\* **3,069** are unengaged—meaning there is no church planting strategy underway among them.+ These people groups contain a combined population of almost 3.1 billion people—**42% of the people alive today!**

Evangelism Resources has trained men and women overseas who are reaching these people groups one by one. ER has adopted thirty groups among which our partners have evangelism and church-planting ministries. These thirty groups are no longer unengaged—ER is reaching them.

But we need your help. Engage these unreached tribes *yourself* by adopting one or more groups for prayer. Ask the Lord to bless the efforts of ER-trained workers to witness for Christ among them. Then give to support outreach in your people group by financing the training of more laborers for God's harvest fields overseas.

**3.1 billion people need to hear about Jesus.**

**Will you help reach them?**

## How to Adopt an Unreached People Group

- *Prayerfully consider which group you would like to adopt.*
- *Research people groups online for information as you pray, including expanded information on ER's web page at: [www.erinfo.org](http://www.erinfo.org).*
- *Contact Evangelism Resources at the numbers/addresses listed below and inform us which group/groups you have chosen.*

### Share in the blessings!

*How then can they call on the One they have not believed in? And how can they believe in the One of whom they have not heard? And how can they hear without someone to preach? And how can they preach unless they are sent? As it is written: "How beautiful are the feet of those who bring good news!" Rom. 10:14-15*
